*The vision of CityLife Church is simply to love God, love one another and love the world. We seek to provide a place of belonging and growth for our members, employees, volunteers and for those accessing our services. CityLife Church is committed to develop and maintain a culture of safeguarding and to promote the welfare of children, young people and adults at risk.*

*Our projects and partnerships have at their heart, God's love for all people, especially the vulnerable and the disadvantaged.*

**1 Samuel 16:7 "The Lord does not look at the things people look at. People look at the outward appearance, but the lord looks at the heart"**

#### Foreword

Developing a culture of safety through strong safeguarding practices is a key part of realising our vision and upholding our values.

Our safeguarding processes are designed to help everyone work together to ensure that children are safe when accessing any of our projects or services. We ask everyone who volunteers with or works for our charity to be familiar with our policy and procedures and to complete safeguarding training. As part of our commitment to providing a safe environment for all, we need to ensure we are recruiting employees and volunteers safely by following appropriate procedures and ensuring all necessary checks are made. We are grateful to all who volunteer and work with our charity for supporting us with these essential processes.

*"Speak up for those who cannot speak for themselves, for the rights of all who are destitute.*

*Speak up and judge fairly; defend the rights of the poor and needy." Proverbs 31:8-9 (NIV).*

#### Policy Statement:

The purpose of this policy statement is:

1. to protect children and young people who receive City Life Church's services from harm. This includes the children of adults who use our services.
2. to provide employees and volunteers, as well as children and young people and their families, with the overarching principles that guide our approach to child protection.

City Life Church recognise the need to provide a safe and caring environment for children and young people. We acknowledge that children and young people can be the victims of physical, sexual and emotional abuse, and additional types of abuse.

City Life Church also concur with the Convention on the Rights of the Child which states that children should be able to develop their full potential, free from hunger and want, neglect and abuse. Participants in all trips are subject to satisfactory completion of all vetting processes that will be undertaken. Such requirements include:

- A background check is undertaken and evidenced.
- Signed code of conduct

## **H02a Safeguarding Children Policy Version 211125**

- Two references
- Briefing/ training on safeguarding expectations and processes that includes cultural considerations

Briefing will include policy on the use of photographic material

### **Working with partners in the UK and Overseas**

The diversity of organisations and settings means there may be variation in practice when it comes to safeguarding children, young people and adults. This can be because of cultural tradition, belief and religious practice or understanding, for example, of what constitutes abuse.

We therefore have clear guidelines in regards to our expectations of those with whom we work in partnership, whether in the UK or not. We will discuss with all partners our safeguarding expectations and have a partnership agreement for safeguarding. This could include some of the following considerations:

1. policy stipulations
2. safe recruitment of staff/volunteers within the partnering organisation
3. trained and supported at suitable levels given their roles and responsibilities within the organisation
4. appropriate safe working arrangements (are few examples include risk assessment for activities, appropriate online and offline contact/interaction etc)
5. reporting protocols on safeguarding concerns/incidents both at a local level where appropriate and also with commissioning organisations (and to regulatory bodies in relevant countries especially if beneficiaries have suffered harm)

We believe good communication is essential in promoting safeguarding, both to those we wish to protect, to everyone involved in working with children and adults and to all those with whom we work in partnership. This safeguarding policy is just one means of promoting safeguarding.
